

Eliminate long render times.

Get realistic 3D models from your drone data in minutes, not hours.

10 Min
DRONE ROOF SCAN

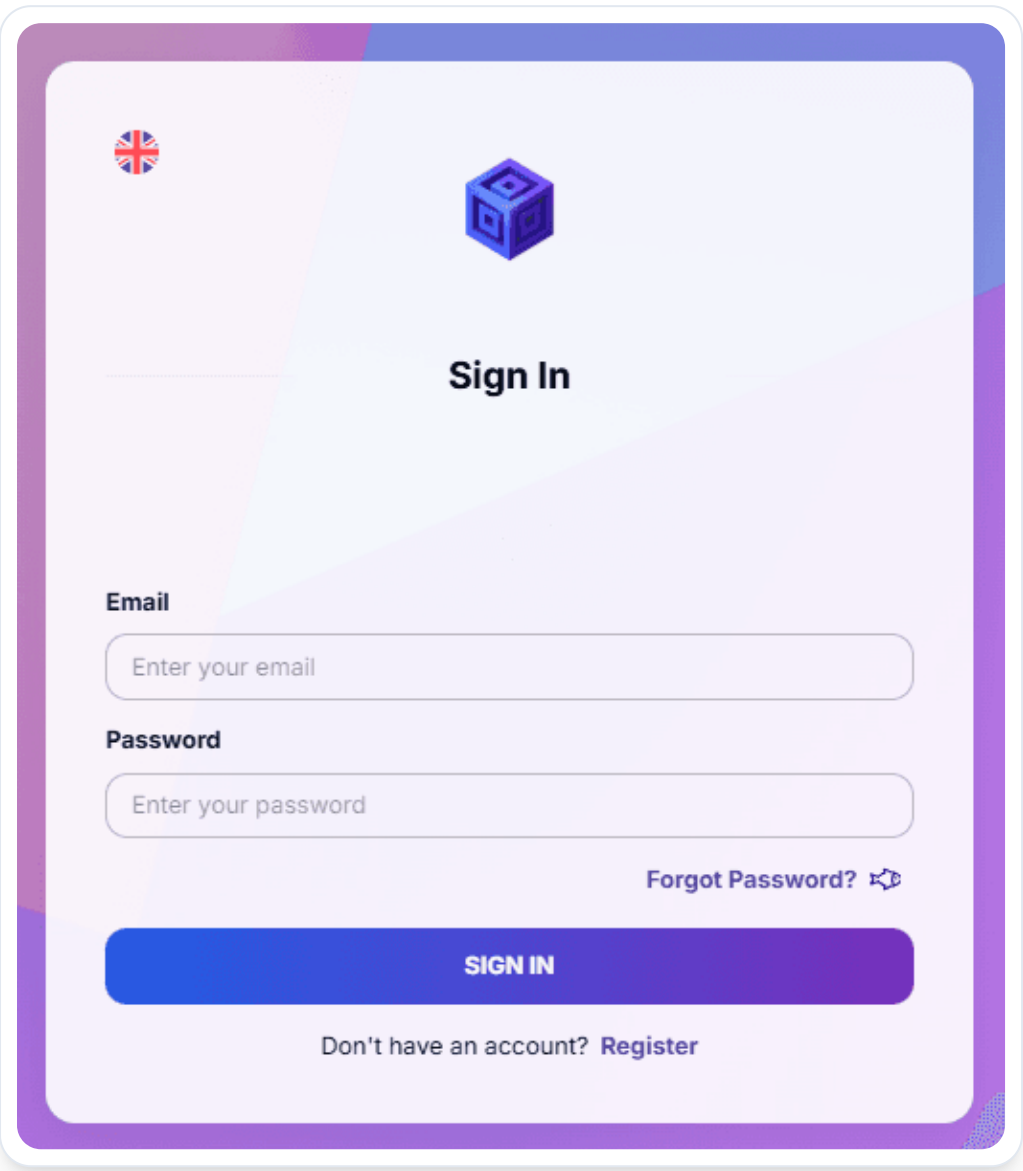

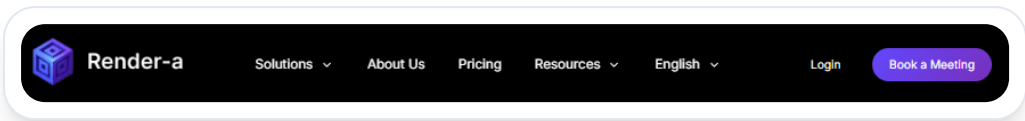

15 Min
3D MODEL GENERATION

0 Errors
MILLIMETER PRECISION

1

Click Login

Go to the Render-a website and click the "Login" button located at the top right of the navigation menu.

2

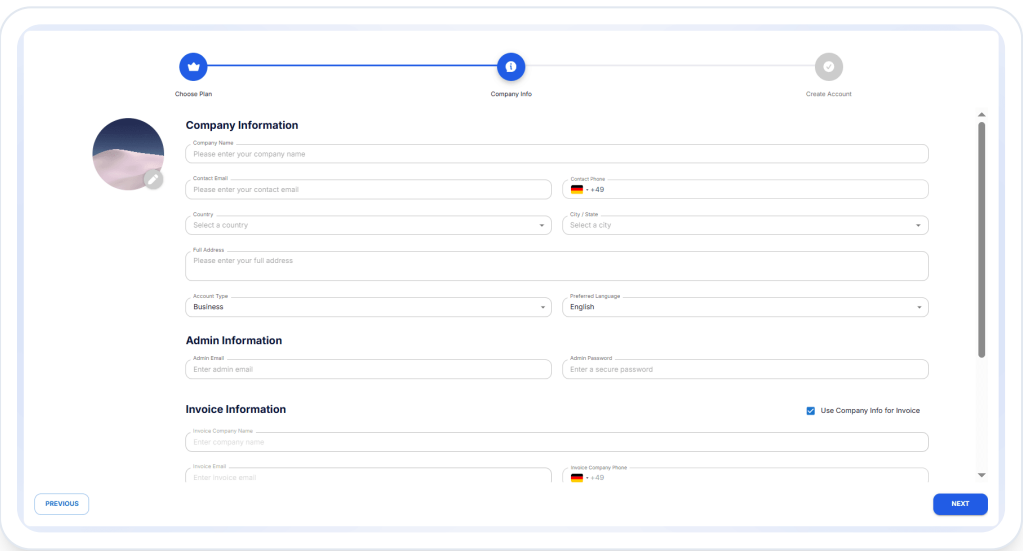

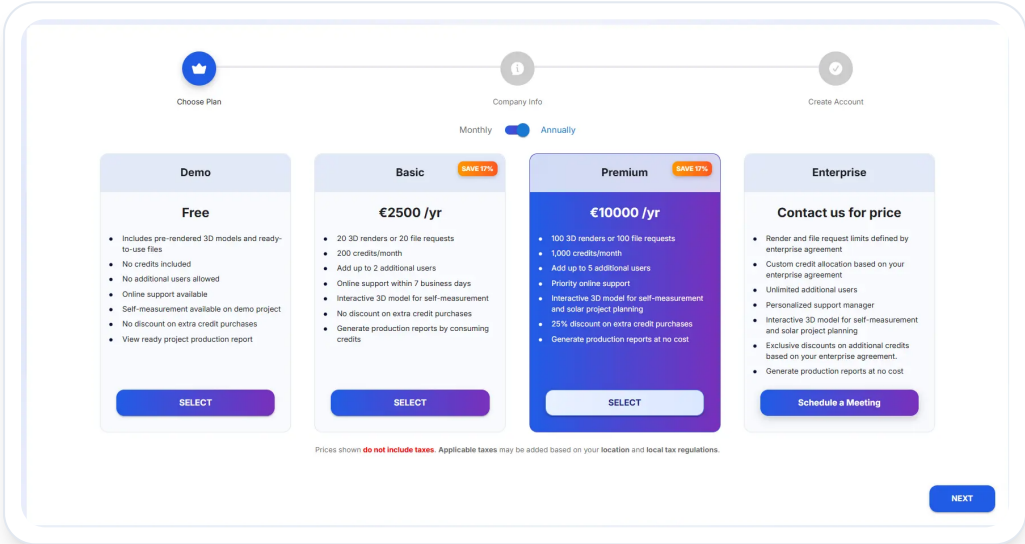

Go to Register

On the Sign in popup, locate and click the Register link at the bottom to start creating your new account.

3

Select Demo Plan

In the Choose Plan step, click "SELECT" under the Free Demo tier, then click the "NEXT" button to proceed without any commitments.

4

Enter Company Info

Fill in your Company Information details and click Next. Your free account will be activated instantly with 2 free credits!

5

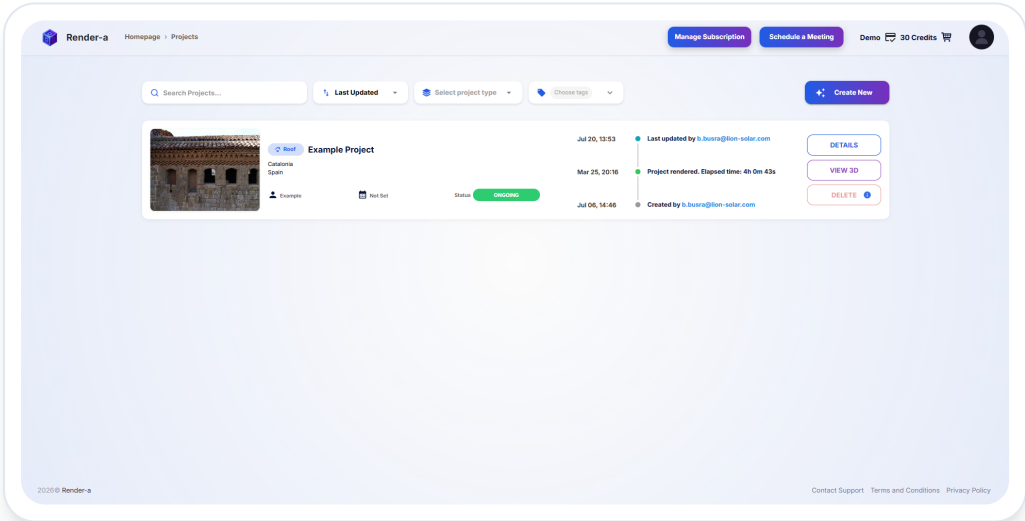

Explore & Generate

Your dashboard comes with a pre-rendered 3D sample ready to view. But you can also upload your own drone images to generate custom 3D models right away!
